

## **The Klingon Assault Group** is an

international, not-for-profit STAR TREK fan organization that focuses on the Klingons and their Empire. We explore the Klingon way of life through:

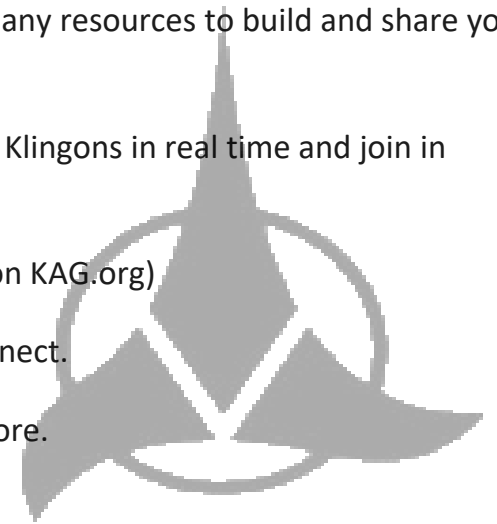

- costuming
- role-playing
- prop building
- language learning, and more.
- There are NO DUES and our growth is based on communication and cooperation.

**KAG has Fun!** In fact, it's our number 1 rule! We are a club for Klingons, and those that would be allies of Klingons!

- We invade conventions and conquer them for the Klingon Empire!
- We help charities with food and blood drives.
- We play online in games like Klin Zha, Star Trek Online, Klingon RPG, and more
- We host events such as excellent parties, weekend getaways, and conventions.
- We share in the richness of Klingon culture and the Klingon language

**We are not a silent club!** We have many ways to meet fellow Klingons and to stay in touch.

- Website – KAG.org has many resources to build and share your character
- Discord – Talk with other Klingons in real time and join in Klingon games!
- KAG Podcast ( Available on KAG.org)

### **KAG Cadet Corps**

Cadets in KAG are members that are under the age of sixteen. In many cases, these members act as auxiliaries on KAG vessels. Occasionally there is enough of a grouping of cadets that they are organized into a unit or 'gunboat'.
